

Tilehurst Globe Newsletter 2019

What we will do in 2019

Walnut Way

From this...

In 2016 and 2017 loads of volunteers came and planted snowdrops and daffodils in the green in Walnut Way.

They did well.

Until...

Well we know what happened - and to prevent another incursion the council constructed a bund - on top of the flowers that we had planted. Now we have Walnut Way Wall.

So...

The council then sowed grass seed on the bund to start improving the look of it. We will be spending quite a bit of time in 2019 planting flowers, such as bluebells and foxgloves, on the bund to make it all look pretty again. Keep an eye out to see how you can help.

We are very grateful to the local businesses who give us their support. They enable us to continue to operate as a community group.

Follow us on Facebook and check our website regularly to see what we are doing - and have your say. Also look out for posters displayed on our board and in shop windows, businesses and the library with details of our meetings and events. Make sure we have your email address to get regular mailings.

Recycling

We will promote any initiative that makes it easier to encourage people to recycle and reuse as much as possible. For example, we will remind people about our really handy leaflet that tells people what they can recycle and where. It is on our website.

In particular we will keep reminding people of all the things that can be recycled via the RBC Red Bin. This is particularly good since all these things are recycled and reused to manufacture other items.

Our Stall at the show

We will take a stand at the show in Victoria Rec on June 8th. We are known for our free fun quiz (the winners get fantastic prizes donated by local businesses) and this year will be no exception.. We will also hand out our free leaflets and promote local activities.

Our Free Leaflets

We have produced 5 leaflets describing Circular Walks in Tilehurst and a leaflet about the Drinking Fountains and Cattle Troughs in Tilehurst. We have also produced a booklet called Memories of Tilehurst. All our leaflets are free for you to pick up from Tilehurst Library or at the show..

The Tilehurst Memories Project

We want **your** stories and photos to add the Tilehurst Memories website www.tilehurstmemories.org.uk

Contact us to tell us your memories and share your photos.

Our Litter Teams

Volunteers give their time to clear up rubbish, helping make Tilehurst a nicer place to live in. You could help by adopting a space to keep tidy or you could help our current volunteers. Ask how you can join us.

Other projects we will be doing in 2019

Planting Wildflowers

Last year we conducted a number of wildflower trials. We decided that it was better to put in small plants rather than scatter seeds directly into the ground. We will again plant new areas with more. We have plenty of seeds to give people so that they can plant out small areas. Contact us if you would like to join the scheme. It doesn't take long to make such a difference.

Archiving Tilehurst Memorabilia

Following on from the Memories of Tilehurst project, we have found that people have documents and photos which it would be a shame to lose. We are thinking about setting up an archive project where people would be able to donate interesting items about Tilehurst. Obviously someone would have to run this project. Would you like to do it?

Can you help?

We are always looking out for volunteers to help out with projects and day to day jobs.

Keep recycling your **used domestic batteries**
